*Hague, March* 20, *N. S.*

THE States of Holland ſeparated laſt Saturday, without coming to any Reſolution on ſeveral Domeſtick Affairs they had before them, and particularly a Project to ſtop a Branch of the Maeſe running into the Wael, for the Benefit of the Town of Dort, whoſe Waters are daily filled up with Sands to the Detriment of the Navigation; but it is judged would be cleared of thoſe Sands by the Force that by this Means would be added to the Stream. A large Quantity of Goods going from this Country for Francfort, being lately ſeized in their Paſſage through the Territories of the Elector Palatine, on Pretence the Value was not declared in order to the Payment of the Duties: there being amongſt the Goods 150,000 Florins in Gold, and ſeveral Merchants of Amſterdam being concerned in them, the States have by M. Burmannia their Miniſter, interpoſed therein, and demanded the Reſtitution of the ſaid Goods and Gold; whereupon the Palatine Miniſter declared Yeſterday to their High Mightineſſes, that the Goods are already ordered to be reſtored, and that the Gold will likewiſe be delivered to the Owners, provided the Duties payable on the ſame be ſecured for the future.
